2nd February 2018

Dear Parents

Re: Parent Governor Election

As you are all aware we recently held an election for parent governors to join our existing governing board. As of the deadline of the 30th January we unfortunately did not have any applicants for the 2 vacancies held.

Being a governor is a very important and rewarding position. Without these fantastic volunteers helping to support and give strategic guidance, the children would not be able to enjoy the school we all care about. A good part of the governing board is made up of parent governors and we need you to enable us to function properly as a body.

Therefore, I have asked the clerk to the governing board to extend the deadline for the parent governor election to 3.30pm on Friday 9th February 2018 and we ask you to consider joining us. If this letter inspires more nominations there are places to fill, there will be a secret ballot held after half term when Mr Russell will send to each parent, ballot forms (1 per parent) and envelopes for their return. The form will explain how votes may be cast.

If you would like to know more of what being a governor entails then can I please ask you to speak to either of our existing parent governors; Amanda Harrison and Richard McCart, who will be able to share their experiences with you, or Mrs Bevan, the clerk to the governing board, Mr Russell or myself will be more than happy to arrange to meet and discuss.

I hope that you will consider volunteering for this vital role.

Kind regards

Suzanne Broome
Chair of Governors
