[Turn Old Clothes into cash For Our School!](#)

Please help us raise extra money for our school by donating your unwanted clothing, shoes, handbags and belts.

A bag will be given to each child to bring home and fill (spare bags will be available from the office). The children, parents and staff can then bring in the filled bags on **Monday 17 July** (we kindly ask you not to bring the bags in before this date due to limited storage space). Beaumonts Recycling will then pay 30p per kilo which will then be paid to the school. In addition, Beaumonts Recycling will donate 25% of the money raised by our school to the Fire Fighters Charity. One of the reasons this scheme is so successful is there is not only the feel good factor of raising money for the school, but the school is also raising money for a very worthwhile charity.

The Fire Fighters Charity helps injured fire fighters assisting over 13,500 individuals every year, by providing pioneering treatment and support services.

If the collection is a success we will arrange one collection per school term to help to boost funds.

Kind Regards
Andrew Russell
