

Dear Parents,

We are pleased to let you know that Magical Maths are Coming to your School! We will be running both KS1 and KS2 clubs throughout the course of the year.

Our Clubs are specially designed to get your child more engaged with the subject of mathematics! And to have LOADS OF FUN!

We will be coming in to deliver our fantastic assembly on 5th December 2017.

If you're at all interested in these sessions, please watch the short video below by clicking the link.

We have recorded a video to tell you more and give you a chance to 'beat the rush' and book your child's place before the club fills up.

[Click here to watch the video about booking your child's place on Magical Maths](#)

Hopefully, we will see your child soon at the Magical Maths club!

Yours Mathmagically,

Angie
