Friday 16 March

Dear Parents

Sports Relief Day is on Friday 23 March. One of their challenges this year is for the country to walk "One Billion Steps a Day", for a week. We have decided to organise our own event based on this. On Friday 23 March each child will be given their own pedometer to keep track of their steps during that day. At the end of the day the number of steps will be recorded and a sporting reward will be given to the following categories, in an assembly during the following week:

- The child with the most steps in the entire school.
- The class with the most steps.
- 200 House Points for the House with the most steps, 100 for the second, 50 for the third and 25 for the fourth.
- The child with the most steps in each class.
- The member of staff with the most steps.

As the day is about raising money for Sports Relief, children are able to wear sports clothing on Friday 23rd March for a voluntary donation of £1.

Kind regards

Mr Russell
